About IXXI

What began in 2010 as a Dutch innovation in square cards and connecting pieces has now become a creative brand with an active community of IXXI lovers in every continent. With inspiring partners such as international museums, designers and photography agencies, IXXI offers affordable Dutch Design worldwide.

Hanging

All hanging and assembly tools are included. The provided hanging tool and adhesive strips are designed to make it easy to install on to a wall.

Material of the cards

Synaps, synthetic paper produced by Agfa (wrinkle-proof, moisture-resistant and UV-resistant).

Pricing

IXXI is available from € 29.50 (40 x 60 cm, 6 cards). The price of an IXXI depends on two factors: product category and size.
